RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Sir:

In connection with the above-identified Application, a Notice to File Corrected Application Papers, dated June 21, 2007, was issued in the above-identified case, a copy of which is enclosed. The Notice indicated that the application is incomplete because the declaration omits the residence of Yoni Iger, who was improperly identified as an inventor.

We believe this Notice has been issued in error. The named inventors of this application are Robert S. Anderson and Steven R. Young. These inventors failed to execute the declaration. Accordingly, a petition under 37 CFR 1.47(b) was granted on July 5, 2005, allowing the assignee, Lumenis Ltd., to execute the declaration on behalf of the inventors. This declaration was executed by Yoni Iger as a representative of the 1.47(b) Applicant, Lumenis Ltd. The full address of the Applicant has been provided in the declaration. A copy of the executed declaration is enclosed.

Applicant: Anderson, Robert et al.

No fee is believed to be due, however, if any fee is required, the undersigned hereby authorizes the Patent Office to charge such additional fee to Deposit Account 50-3355.

Respectfully submitted,

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Notice of Allowance Mailed

This application has been accorded an Allowance Date and is being prepared for issuance. The application, however, is incomplete for the reasons below.

Applicant is given 30 days from the mail date of this Notice within which to correct the informalities indicated below. If the informality pertains to the abstract, specification (including claims) or drawings, the informality must be corrected with an amendment in compliance with 37 CFR 1.121 (or, if the application is a reissue application, 37 CFR 1.173). Such an amendment may be filed after payment of the issue fee if limited to correction of informalities noted herein. See Waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004). In addition, if the informality is not corrected until after payment of the issue fee, for purposes of 35 U.S.C. 154(b)(1)(iv), "all outstanding requirements" will be considered to have been satisfied when the informality has been corrected. A failure to reply will result in the application being ABANDONED. This period for reply is NOT extendable under 37 CFR 1.136(a).

The oath or declaration filed 11/9/04 is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date may be required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

- It does not identify the city and either state or foreign country of residence of inventor Yoni Iger. The residence information may be provided on either an application data sheet or a supplemental oath or declaration.
- It does not identify the mailing address of inventor Yoni Iger. A mailing address is an address at which an inventor customarily receives his or her mail and may be either a home or business address. The mailing address should include the ZIP Code designation. The mailing address may be provided in an application data sheet or a supplemental oath or declaration. See 37 CFR 1.63(c) and 37 CFR 1.76.
